EMPOWERING ATHLETES, ELEVATING PERFORMANCE.

About Us

Tachus 50/10 Electronic Target System is designed and developed for both 50-meter rifle (Prone and 3 Positions) and 10-meter (Air Rifle and Air Pistol) and ISSF shooting events. It is perfectly suitable for competitive shooters who participate in both 10-meter and 50-meter rifle events and face the challenge of having to invest in two separate electronic target systems. It solves this problem by offering a versatile solution. It is designed for durability and longevity and is backed by our unparalleled after-sales service and support.

Technical Specifications:

- **Target Compatibility:** 50 Meter Rifle Events and 10 M Air Rifle & 10 Air Pistol Events
- **Measurement Method:** Acoustic Measurement Method (ISSF compliant)
- **Paper Roll Usage:** System employs a Paper roll for shot detection. Same roll is used for all events.
- **Connection:** Wired, with a 60-meter shielded cable and RS485 Adapter for secure communication
- **Software:** Windows OS-based, compatible with Windows 8, 10, and 11
- **Included Accessories:** Stand for mounting, Pellet Collector for 10 Meter, Separate metal front doors for 10 Meter and 50 Meter Events, 12V adapter for Led Illumination for 10 Meter, and SMPS for main power supply (low power consumption, 24V, 3.2 Amp, 75 Watt) of the machine
- **Warranty:** 2-year warranty (extendable)

Accurate

We use an advanced Acoustic Measurement method, capable of reading up to two decimal points. This ensures that every shot is recorded with the utmost precision, giving shooters valuable insights into their performance

Versatile

System is suitable for both 10-meter Air Rifle and 10 Meter Air Pistol and 50-meter Prone and 50 Meter 3P shooting events.

Intuitive Software Interface

It comes with a user-friendly, Windows OS-based software (Compatible with Windows 8, 10, and 11) that offers user friendly interface

Durability, Maintenance and Warranty

The system is easy to setup and maintain. Comes with a two-year warranty (The warranty can be extended)

Cost Effective

System is affordable and it provides exceptional value for money, making it an attractive choice for individuals, clubs, and academies alike
